PROGRAM DESCRIPTIONS

Kids & History	This is a great history program for children ages 4-10. High atop Captain's Hill, join us for a fun and hands-on history program! Each week we will explore a different historical activity or aspect. We may learn play Native American games, or make crafts that the colonial children made. At the end of the program, we will climb the 116-foot granite monument and check out the view from the top! Meet at the base of the Monument Hill by picnic tables. All children must be accompanied by an adult. Program cancelled in the event of rain.
Weekend Monument Tours	Join us at the base of the Myles Standish Monument on the half-hour for an interesting monument tour. Tours are free and will encompass the history of the park, Captain Myles Standish, and the Mayflower's journey. Participants will briefly explore the park and then make the 125 step journey to the top of the monument to enjoy a panoramic scenic vista of Cape Cod and Southeastern Massachusetts. Tours last half an hour, are not accessible, and are appropriate for children and adults who can climb 125 steps. All children must be accompanied by an adult. Program will be cancelled in the event of rain.
Monument Tours	Myles Standish Monument Tours are available throughout the week. Please call (508) 208-0676 to schedule a Monument Tour for your group or family.

Note: The Myles Standish Monument State Reservation will close for the season on Monday September 1st. The Myles Standish Monument State Reservation will re-open in mid-June in 2009.
